

Transportation Commission Bylaws

Section 1: Introduction

The bylaws outlined below are approved procedures for the Edina Transportation Commission. Members should review and understand City Code Chapter 2, Article III, Division 1 and Chapter 2, Article III, Division 9 included in the appendix of these bylaws. In the event of a conflict between the City Code and the Edina Transportation Commission bylaws, the City Code will prevail.

Some components of these bylaws are common across all City boards and commissions. The City Staff Liaison should be consulted prior to considering bylaw amendments. Proposed bylaw amendments should be announced one meeting prior to voting on the proposed change. Bylaw amendments require the approval of a majority of the voting Edina Transportation Commission members and approval by the City Council.

In addition to the City Code and these bylaws, the Edina Transportation Commission will be guided by those policies and procedural documents applicable to the Edina Transportation Commission or City advisory boards in general. Copies of these documents will be made available to members at the beginning of their service with the Edina Transportation Commission.

Section 7: Committees and Working Groups

Introduction

Committees or Working Groups may be established by a majority vote of the Edina Transportation Commission to study issues in greater depth and report findings. Committees or Working Groups present their analysis to the Edina Transportation Commission for discussion and recommendations. The Edina Transportation Commission has the sole authority to make final recommendations on all matters on which a Committee or Working Group has given guidance. The Edina Transportation Commission defines the scope and the duration of the Committee or Working Group's mission. In no case may the Committee or Working Group exceed the authority granted by the Edina Transportation Commission.

Committee and Working Group participants may not include enough voting Edina Transportation Commission members to constitute a quorum for the Edina Transportation Commission. Committees or Working Groups may be designated as standing (ongoing) or temporary in nature.

Definitions

Committees and Working Groups may be comprised of two or more people, one of whom is the Chair appointed by the Edina Transportation Commission. A Committee is comprised of current Edina Transportation Commission members only. A Working Group is led by an Edina Transportation Commission member, but will also include members of the public.

Working Group Announcement

Public notice will be given of the formation of any Working Group, including a press release from the City to local media outlets. Individuals will have a minimum of 14 days after the public notice to express interest in joining before members are selected.

Public Access

Transportation Commission Bylaws

Based on the potential public interest in the topic, some Committee and Working Group meetings may be designated as public meetings by the Edina Transportation Commission or the City Council. If a Committee or Working Group's meetings are designated as public meetings, official meeting notices, written agendas and written minutes are required. Refer to Section 4 of these bylaws for additional information on meeting notices.

Appointments and Chair Assignments

Committees: The Edina Transportation Commission Chairperson will ask for Committee volunteers from the Edina Transportation Commission membership. A majority vote may approve the Committee appointments once sufficient volunteers are established. A temporary Committee Chair will be appointed by the Transportation Commission at the time of Committee formation. The Committee will elect its own Chair and notify the Edina Transportation Commission Chairperson.

Working Groups: The Edina Transportation Commission Chairperson will ask for volunteers from the Edina Transportation Commission to serve as the Working Group Chair. The Working Group Chair is approved by a majority of the Edina Transportation Commission members. The Working Group Chair will recommend other Working Group members. By definition, those members will include individuals outside of the Edina Transportation Commission. The Chair may also nominate a co-chair who is not an Edina Transportation Commission member. Working Group appointments will be made by a majority vote of Edina Transportation Commission members.

The duties of the Committee or Working Group Chair(s) include but are not limited to:

- Set the meeting schedule and, if required, notify the City Staff Liaison for public notification.
- Prepare and distribute a written meeting agenda, if required.
- Lead the meeting in accordance with the agenda and facilitate discussion on agenda items.

Committees or Working Groups will automatically be disbanded if no member of the Edina Transportation Commission is available to serve or appropriate volunteer membership cannot be established.

Transportation Commission Bylaws

Section 8: Communication

Applicability

This section applies to all types of media and communication methods including face-to-face, telephone, email and social media.

Communication Between Members Outside of Meetings

Edina Transportation Commission related communication between members when a quorum of voting members is present constitutes a violation of Open Meeting laws if it takes place outside of publicly-noticed meetings. Members are prohibited from discussing Edina Transportation Commission business in such a situation. Since email communication is common outside of meetings, the following email protocol is adopted:

- Any email communication intended for a majority of Edina Transportation Commission members should go through the City Staff Liaison so that an appropriate record can be established.
- Members should not respond “reply all” to group messages.
- Members should not blind copy (bcc) other members.

Members must not engage in a serial discussion of Edina Transportation Commission business. A serial discussion occurs when members discuss official business with a majority of voting members through successive communications. Serial communication can occur through a combination of communication methods such as face-to-face, email, telephone or on a social media site.

Communication with the Public Outside of Meetings

Edina Transportation Commission members are encouraged to share their work with members of the public within the guidelines noted in the paragraph below.

When communicating Edina Transportation Commission business with the public, members should understand and convey the following:

- The deliberations and decisions of the Edina Transportation Commission will be based solely on information contained in the public record presented to all Edina Transportation Commission members participating in the deliberation or action.
- The member’s comments do not represent the opinion or viewpoint of other commissioners or the Edina Transportation Commission as a whole.

Members should exercise care not to communicate how they intend to vote on any pending matter or give the appearance any matter has been pre-decided.

Public Announcements and Press Releases

The City’s Communications and Technology Services Department will approve and coordinate any public announcements, press releases or other media contact desired by the Edina Transportation Commission.

Transportation Commission Bylaws

Section 9: Financial Transactions

All financial expenditures by the Edina Transportation Commission must relate to the Edina Transportation Commission mission and be covered under the Edina Transportation Commission budget. All expenditures must be approved in advance by a majority of the voting members. The City Staff Liaison is responsible for ensuring that all approved expenditures or reimbursements meet the criteria above as well as other City financial policies. Expenditures that do not meet the criteria above will not be reimbursed. The Edina Transportation Commission does not have the authority to execute contracts or to otherwise financially obligate the City of Edina. Any contract related to Edina Transportation Commission business will be managed by the City Staff Liaison and may be subject to City Council approval.

Section 10: Ethical and Respectful Conduct

Conflict of Interest

Members may not use their position on the Edina Transportation Commission for personal benefit. The interests of the Edina Transportation Commission must be the first priority in all decisions and actions. Any member who has a financial interest in, or who may receive a financial benefit as a result of, any Edina Transportation Commission action or decision must disclose this fact as a conflict of interest. A member who has disclosed a conflict of interest should abstain from discussion and voting on the matter.

Gifts

Edina Transportation Commission members may not receive personal gifts from any “interested person” in conjunction with their board and commission duties. An “interested person” is a person, or representative of a person or an association, who has a direct financial interest in a recommendation under the Edina Transportation Commission’s purview. This section does not apply to lawful campaign contributions. The Edina Transportation Commission may recommend acceptance of general gifts or donations through the City’s donation policy.

Respectful Behavior

The City of Edina is committed to providing a work environment free from violence for all elected and appointed officials, employees and visitors. The City does not tolerate any form of violence in the workplace including threats or intimidating actions by or against any of the groups cited above. Violence and threats may include, but are not limited to:

- Any act which is a physical assault
- Any threat, behavior or action which is interpreted by a reasonable person to carry the potential to harm or endanger the safety of others, or result in an act of aggression, or destroy or damage City property.

The Chairperson and City Staff Liaison have the right to call for the immediate removal of anyone who threatens or commits an act of violence on City property.

Transportation Commission Bylaws

Respectful behavior also includes how Edina Transportation Commission members relate to each other, City staff and members of the public. Members share a joint responsibility in modeling, monitoring and addressing behavior within the group.

During Edina Transportation Commission interactions, members should strive to:

- Treat people with courtesy, politeness and kindness
- Encourage others to express their opinions and ideas
- Listen to what others have to say
- Use the ideas of others to improve decisions and outcomes
- Recognize cultural differences

Members should avoid:

- Speaking over or cutting off another individual's comments
- Insulting, disparaging or putting down people or their ideas
- Bullying other members by displaying a pattern of belittling, demeaning, judging or patronizing comments.

How to Report

Members can report cases of unethical conduct to the City Staff Liaison, Assistant City Manager, City Manager or City Attorney.
